## UNFAIR COMPETITION AGAINST MERCHANTS

Itinerant Salesmen Find City  
One of Easiest to  
Work.

Much to the chagrin of local merchants, Mishawaka continues to be an easy mark for itinerant dealers in miscellaneous wares, whose range of goods extend all the way from "needles to anchors." Scarcely a week passes but what one or the other of the corners is occupied by one of these individuals, whose importuning generally draws the crowd—and the money. The city has recently forbidden such vendors to occupy any of the immediate corners, but by moving a few feet away from the restricted spot, they can, by paying a \$5 license fee, ply their trade all they have a mind to. During the past week one of these gentry came to the city in a motor contrivance, which, in its manufacture was store, bedroom, dining room and kitchen, all in one. The owner was an ex-soldier, not so very old, and was therefore exempt from taking out the \$5 city license. He was a valuable talker, a good story teller, and a crackerjack salesman, so good, in fact, that he could have sold wooden nutmegs, between his stories. His wagon, or at least that part of it devoted to the storage of his wares, was filled with a miscellaneous collection of such articles as looked well under the glare of a kindly electric light. His description of each as it was brought to view would have done justice to a galaxy of Harbours; and for fully two hours he was kept busy taking in the diners, quarters, half and dollars, such was the demand for his wares. It was only when he had sold out, and had expended his last story, that the crowd could be in-

duced to disperse, and this it did reluctantly. South Bend, through its retailers' bureau, is demanding regulation of this very matter, and Mishawaka merchants who, probably more than those of the former city, feel the injustice of the city allowing this discrimination against them, are contemplating making protest against it. They feel that as they are residents here, pay taxes to the city, spend their money at home, and other just reasons, they should not have to contend against this palpably unjust and illogical state of things. These itinerants, as a rule, only remain long enough in the city to gather in some change, and probably don't spend a nickel during their sojourn, yet they are entering into competition with the merchants who spend many dollars in an endeavor to attract customers to their stores, and whose values are incomparable alongside those offered to the "easy" buyers who congregate around the "free shows."

## M. W. A. HAVE FESTIVE TIME AT CASTLE HALL

Complete Arrangements for  
Observance of Memorial  
Day in City.

That Memorial day in Mishawaka will be one long to be remembered, was made evident Wednesday night when the Modern Woodmen of America, Pelton camp 4788, met in Castle hall and perfected arrangements so far as this organization is concerned. A committee of seven was appointed to carry out the various arrangements in connection with the day as follows:

Program, L. Hunt; decorations, J. Christman; seats, Charles F. Dooley; finance, C. Gott; transportation, J. C. Gurnes; flowers, J. E. Smith; music, E. E. Andrews.

It was stated at the meeting that all the lodges of the city will participate in the celebration, and next Friday night there will be a meeting at which all will be represented, to plan final arrangements. This meeting will be held in Moose hall at 7:30 o'clock. Both city bands have been engaged for Memorial day. The veterans from South Bend and Mishawaka, Sons of Veterans, Daughters of the American Revolution and Spanish War Veterans will be invited to participate in the parade to the cemeteries. Automobiles will be provided for the old soldiers and a platform will be erected for them in the cemetery which they and their ladies will occupy.

A class of 10 was taken in at the meeting by the Woodmen. Luncheon was provided by the Royal Neighbors, and was served by Henry Pelton, L. Hunt and J. C. Gurnes. Twelve cards were balloted on.

## MISHAWAKA CLASSIFIED WANT ADS

### LOST AND FOUND.

LOST—Brown traveling bag between Mishawaka and Elkhart. Finder leave at Mishawaka Hotel, Mishawaka and receive reward.

## TENDER PROF. NUNER AN ENJOYABLE RECEPTION.

Retiring Superintendent Is a  
Guest at Happy Function  
by Teachers.

As an evidence of the good feeling existing between Prof. J. F. Nuner, who for the past number of years has been superintendent of the Mishawaka public schools and the teaching staff, the latter tendered him a reception in the library building last night on the occasion of his leaving to assume the superintendency of the public schools in South Bend July 1, next. The affair was of a most happy nature, and bore eloquent testimony to the high regard in which Mr. Nuner is held by the Mishawaka teachers. About 80 of the members of the school board and their wives. All the married teachers had their wives with them. A program including selections by a double quartet, reading by Miss Hockett, folk games, etc., helped while away a most pleasant evening. The grand march was a feature which caused much merriment, and was led by Prof. Nuner and Mrs. Rose Grimes. Dainty refreshments were served during the evening.

Mr. Horton, superintendent-elect, was an honored guest at the gathering.

## LADIES' AID SOCIETY IN REGULAR MEETING

The Ladies' Aid society of the Methodist Memorial church held its regular monthly business meeting in the parlors of the church Wednesday afternoon. The devotional exercises were in charge of Mrs. W. D. Smith. Officers and committees of the society made their reports. A program consisting of piano selections by Miss Aline McQuillen, and recitation by Miss White was of a pleasing nature. During the business session, the society decided to take out \$10,000 insurance on the church each year for five years, making the total insurance \$50,000. The next meeting of the society will be held Wednesday, June 15.

## CAN STRAWBERRIES AT CLASS MEETING

Mrs. Ed Weaver and Mrs. Carl Beall entertained the members of the Euphemia Bible class of the Methodist Memorial church Wednesday evening at the home of the former, 227 E. Fourth st. As a try-out to the suggestion of taking up the study of home economics the evening was spent in canning strawberries. The test was successful and greatly enjoyed by those present. The class will henceforth devote part of meeting time of each month to home economics.

At the close of the meeting refreshments were served by the hostesses.

## COMEDY AT CENTURY CONTINUES TO DRAW

The Montrose Players presented Gus Cohan's laughable farce comedy, "Runaways," to an appreciative audience at the Century theater Wednesday night. The play is brimful of laughable situations and good comedy, and kept the audience in good humor from start to finish. The company is evidently growing in favor in Mishawaka, and from all appearances Mr. Senger, the manager of the Century, has done well in introducing this feature into Mishawaka. The bill for tonight is "For Home and Honor," a society drama in two acts. Besides this there will be the piquant Mary Pickford in the picture, "The Teacher and the Bully."

MISHAWAKA PERSONALS.  
Charles A. Ostrom is confined to his home with a severe cold.

Mr. and Mrs. A. S. Winney have returned from an extended trip. Mr. Winney traveled in the interests of the Woolen Co.

HOSPITAL NOTES.  
Andrew Gard of River Park underwent an operation at the St. Joseph's hospital Tuesday evening.

Lamont's Saxophone Orchestra.

Better come early tonight. House opens 8:15—"Such a Little Queen" starts at 7 promptly. It is one of the best Mary Pickford screen productions since her joining the Famous Players Co.

## NEW BARRISCALE ROLE IS REPLETE WITH ROMANCE

"Bullets and Brown Eyes," a Triangle-Kay Bee production of five parts, featuring Bessie Barriscale and William Desmond, will be the offering at the Lincoln today. This picture is declared by critics to have set a new standard for this kind of production. Though it is replete with thrills and the tragedy of battle, the author has laid stress on the fact that it is a romance, and in preparing his script for production, did so with the idea of making the love story paramount. Miss Barriscale appears as the heroine of many stirring adventures, and William Desmond is portrayed as a reckless young leader of light cavalry. A delightful Triangle-Keystone comedy in two parts, "The Judge," featuring Charles Murray, will make up a fine bill at the Lincoln today.

## Far Away Lands Give Valued Products For Pure Parts of Tanlac

Gathered in Their Primitive State  
From Richest Fields of Mother  
Nature in Many Foreign  
Climes. Ingredients Are  
The Essence of  
Purity.

The fields of Mother Nature, perfumed by the sweet breath of fresh air and gently cleansed each evening by the dew from the heavens, supply the ingredients of Tanlac.

In many far away climes are gathered the roots, barks and herbs that have proved of such vast benefit.

As men labor in the far north-land, so do they toil on the heights of the Andes mountains of South America to obtain Tanlac's parts. Caribs, the black-skinned sailormen of the Caribbean sea, whose guttural dialect has no alphabet, paddle their canoes, loaded with herbs, gathered in the hills of the Spanish Honduras, alongside the big freighters; and other black men, with mule caravans, come down the long mountain trails with barks and flowers found high among the clouds.

Gathered in the fields of nature, the ingredients that make up Tanlac are therefore the essence of purity. They are wholly vegetable and contain none of the mineral taint feared by many.

It is as though the health giving properties that made primitive man strong and well were gained by him through his close relationship with Mother Nature, now have been bottled up and may be had in Tanlac by the indoor man of modern times almost without leaving his own home.

LIFE AGAIN BRIGHT  
AFTER 25 LONG YEARS

Fort Wayne Women Says Tanlac Banished Her Troubles in Three Days.

Fort Wayne, Ind., May 16.—"Tanalac has helped me where everything else has failed. My trouble dates back twenty-five years and during that time I could get nothing that would give me relief, but this new medicine has done the work completely in three days. I feel a new woman."

This was the tribute paid Tanlac, the Master Medicine, by Mrs. Martha A. DeHaven, 68 years old, a well known resident of this city who lives at 448 Elizabeth street.

"I suffered from neuralgia of the head, face and shoulders and I was very nervous," Mrs. DeHaven continued. "I was attacked frequently during the day by terrible neuralgia pains. At night the pains were so severe I couldn't sleep. It seemed impossible for me to eat. Naturally I became very weak."

"All of the medicine tried failed, and I had about given up hope of getting relief when I began seeing in the newspapers the accounts of Tanlac's work. I haven't had a single neuralgia pain since the third day after I started taking Tanlac and I have a fine appetite, now and sleep fine. No nervousness or weakness bothers me now. Taking into consideration my advanced age it is saying a lot when I tell you I feel like a new woman but that is exactly the case. I certainly want to recommend Tanlac."

ONE HOOSIER IN EACH  
FORTY USES TANLAC

Thousands of Indiana Residents  
Are Receiving Aid Through  
Master Medicine.

A little more than seven months ago a bottle of Tanlac, the medicine that is building up countless run-down people all over Indiana, was sold in a drug store at Muncie. It was the first sale of the new preparation in this section of the state.

Today, more than 250 exclusive agents in as many cities, towns and villages of the Hoosier land, have Tanlac for sale, and already, in 65,000 Indiana homes Tanlac's health giving qualities have been proved. It is estimated that one out of every forty residents of the Hoosier state, now is taking Tanlac.

Having been made in such a short time, Tanlac's tremendous leap to popularity is remarkable. A search through the pages of proprietary medicine, fails to reveal anything to compare with it.

But, great as is the popularity of Tanlac, its merit is even greater. As C. H. Bailey, Indiana's renowned Tanlac Man, said, a few days ago: "Remarkable as has been Tanlac's reception, it remains for thousands of Indiana to learn that a preparation of real merit at last may be obtained."

IS AGAIN ABLE TO  
DO HER HOUSEWORK

Logansport, Ind., May 16.—"I have found this new medicine Tanlac, just what I needed," said Mrs. Dan Layman, wife of a well known farmer, residing on rural route No. 6, Clymers, near this city. I suffered from a severe case of rheumatism for two years. I could hardly do my housework. Two bottles of Tanlac have fixed me up alright and I can now do my housework as it should be done."

TANLAC IS SOLD  
exclusively in Mishawaka at the  
Red Cross Pharmacy.

## WINTER LEAVES MANY VICTIMS

Thousands of People Will Be Unable to Take Part in Summer Pleasures.

TANLAC OFFERS HELP

Master Medicine, Best Means of Escape From Trouble.

The seize of winter that leaves in its wake countless people suffering with completely run down systems, is one of the greatest agents of destruction man has to contend with.

The many days of snow, sleet and cold rains and winds that chill a person through and through are so thorough in their work against humanity that few escape.

At spring time something is needed that will build up the tissue broken down by the daily battle, during the winter, of the physical being against the great odds of extreme weather. Otherwise man and woman goes into the summer suffering with a tired, languid feeling that bespeaks of a generally run down condition and is not in shape to enjoy the pleasures the warmer months offer.

The remarkable new reconstructive tonic and system purifier, Tanlac, that is now sold here, is said by many to be composed of just those ingredients that act most satisfactorily when a body builder and general cleanser is needed.

Tanalac quickly overcomes the work of winter. It speedily attacks and drives off the impurities in the blood that might, if left alone, bring serious results. It builds up the broken down tissues, the body returning to its natural strong, well state. It brings about the proper digestion and assimilation of food, the additional nutrition this gained strengthening the entire system.

And upon the dullness in the eye changes to a sparkle; the pale cheek is flushed with the surge of pure blood and he or she who has taken Tanlac is ready for the summer's pleasures.

MINISTER TENDERS  
HIS HEARTY PRAISE

The Rev. William Hefflin, Pastor of Old Christian Church, Aided by Tanlac.

Kokomo, Ind., May 16.—The words of a minister of the gospel, the Rev. William Hefflin, pastor of Old Christian Church, who lives on rural route No. 1, Russiaville, southwest of here, have been added to the mass of evidence, hundreds of others have given for Tanlac, the Master Medicine.

"I have suffered from kidney and liver trouble and my system has been in a generally run down condition for some time. Pains in my back bothered me a great deal and at night were so severe that I could not sleep."

"I have taken one bottle of Tanlac now and am greatly improved. I have not been caused any misery by a single pain during the last few days and consequently I believe that Tanlac is all it is claimed to be. I certainly am glad that I tried it."

"I feel fine now in the mornings and at last, thanks to Tanlac, do not have any fear of the start of a new day."

Mrs. Harris' story is only one of many that are being heard every day concerning the great benefits derived from the use of this new preparation.

ONE HOOSIER IN EACH
